## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-4, 8-9, 12, 15, 18 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 15 and 18, the prior art of the record fails to show or fairly suggest a CCD color solid-state image pickup device comprising:

wherein a first light-receiving section for storing blue (B) and green (G) signal electric charges and a second light-receiving section for storing green (G) and red (R) signal electric charges are alternately provided as the light-receiving sections on the surface of the semiconductor substrate;

the first light-receiving section is provided with a first electric charge storage layer for storing blue (B) signal electric charges and a second electric charge storage layer for storing green (G) signal electric charges; and

the second light-receiving section is provided with the second electric charge storage layer for storing green (G) signal electric charges and a third electric charge storage layer for storing red (R) signal electric charges, in combination with other claim elements.

Claims 2-4, 8-9, 12 are allowed as being dependent from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
